1982 Suzuki GSX 1100 S Katana specifications and pictures

Most countries got the Katana as a 1100, though Americans imported a 1000 for AMA Superbike homologation purposes. Well, turns out America wasn't the only country who needed some homologation-specific changes: Suzuki built an upgraded 1100 in response to a request from their distributor in New Zealand who was worried about how the Honda CB1100R would perform in their national race series.
