John T. Cacioppo (1951—2018) was a psychology professor at the University of Chicago and director of the university's Center for Cognitive and Social Neuroscience. He was the author of more than a dozen books, including Loneliness: Human Nature and the Need for Social Connections.

Loneliness: Human Nature and the Need for Social Connection Paperback ...

loneliness, distressing experience that occurs when a person's social relationships are perceived by that person to be less in quantity, and especially in quality, than desired. The experience of loneliness is highly subjective; an individual can be alone without feeling lonely and can feel lonely even when with other people. Psychologists generally consider loneliness to be a stable trait ...

loneliness | psychology | Britannica

Loneliness is the human condition. Cultivate it. The way it tunnels into you allows your soul room to grow. Never expect to outgrow loneliness. Never hope to find people who will understand you, someone to fill that space. An intelligent, sensitive person is the exception, the very great exception.
