research in any way. in the midst of them is this a paradise built in hell the extraordinary communities that arise disaster rebecca solnit that can be your partner.

Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

A Paradise Built in Hell is an investigation of the moments of altruism, resourcefulness, and generosity that arise amid disaster's grief and disruption and considers their implications for everyday life. It points to a new vision of what society could become—one that is less authoritarian and fearful, more collaborative and local.

## **A Paradise Built in Hell: The Extraordinary Communities**

...

An expansive work of cultural history, A Paradise Built in Hell triumphs the empathy of civil society in the wake of disaster. Across five extensively researched sections, Solnit surveys local and state reactions to the world's major disasters since the dawn of the twentieth century, from the 1906 San Francisco earthquake to the 1985 Mexico City earthquake.
