Academic Skills Cambridge University Press

Academic Writing Skills is a three volume series that develops students' abilities to compose college-level essays. Each volume walks students through the process of ensuring the information in their essays is logically organized, written in a suitable academic style, and free of plagiarism through structured integration and citation of properly written paraphrases, summaries, and quotes.

Academic Writing Skills | Skills | Cambridge University Press

There are two books in the series for each content focus: an Academic Encounters title that teaches reading, study skills, and writing; and an Academic Listening Encounters title that concentrates on developing students' listening, note-taking, and discussion skills.
