The Black Keys are an American rock band formed in Akron, Ohio, in 2001. The group consists of Dan Auerbach (guitar , vocals) and Patrick Carney (drums). The duo began as an independent act, recording music in basements and self-producing their records, before they eventually emerged as one of the most popular garage rock artists during a second wave of the genre's revival in the 2010s .

The Black Keys have added white keys and now sound a complete band. Having been a fan of Magic Potion and Attack and Release for the simple beauty of the riffs, the catchiness of the songs and the invention displayed by this two piece, I like Brothers for its deliberately less White-Stripes approach.

"Pat and I are the Black Keys when we're together, and we're not the Black Keys any other time at all," Auerbach agrees. "But when we're together we are the Black Keys, that's where that real magic is."

About us - The Black Keys

The Black Keys are finally at the top of their game and getting the recognition they deserve. At first, there was a host of competition in the throwback garage rock scene. With bands like The Strokes and The White Stripes taking the early lead, The Black Keys quietly released records. First came 2002's "The Big Come Up."
