Reduce your college costs by up to 100 percent! The program closes the gap between federal, state, and institutional sources of financial support and the balance of tuition and the general campus fee. Rutgers-Camden automatically applies the Bridging the Gap grant to these remaining costs after any other need-based federal, state, and/or institutional aid have been applied, based on family adjusted gross income (AGI):

27 April 2018. Bridging the gap between school and university science Better links are needed between universities and schools and colleges to help tackle the ‘expectation-reality gap’ that STEM students report facing in their first year of undergraduate study. This is one of the recommendations from a study by Dr Julie Hulme from Keele University that will be presented at the BPS annual conference next week in Nottingham.
