The British Broadcasting Company broadcast its first radio bulletin from radio station 2LO on 14 November 1922. Wishing to avoid competition, newspaper publishers persuaded the government to ban the BBC from broadcasting news before 7:00 pm, and to force it to use wire service copy instead of reporting on its own. The BBC gradually gained the right to edit the copy and, in 1934, created its ...

For many uses, market value more accurately represents the debt burden faced by the U.S. government than the par value. The par value of government debt, which is reported by the U.S. Treasury Department, reflects interest rates at the time the debt was issued while the market value is adjusted to reflect market interest rates as of the observed period.
