Insider trading has been a pervasive activity since the inception of the stock market. There are many competing viewpoints on the ethical implications of this behavior and how severely it violates justice and the social contract of modern finance to which market participants tacitly agree when they invest. An analysis of insider trading from the perception of several theories of justice, most ...

1. Conceptual Distinctions: Work, Labor, Employment, Leisure. It is not difficult to enumerate examples of work. Hence, Samuel Clark: by work I mean the familiar things we do in fields, factories, offices, schools, shops, building sites, call centres, homes, and so on, to make a life and a living. Examples of work in our commercial society include driving a taxi, selling washing machines ...

The 1980 first edition of my book Culture's Consequences owed part of its success to being the first data-based research report in an otherwise fuzzy and mysterious area. The distinction between national and organizational cultures was not clear to many readers; some tried applying my cross-national dimensions to corporate cultures.
