According to my rich dad, there are two types of people, those who view the world through the two different sides of Rich Dad's CASHFLOW Quadrant. To summarize, on the left side of the quadrant are Es and Ss. They pay the most in taxes and trade their time for money. And each has a different mindset. On the right side, however, are the Bs and Is.

I read enough money stuff for the past 18 or so years. Having invested my money and built wealth through active stock investing for 15 of those years, I became financially independent and have also written enough stuff on financial independence as a subject.. Most of my friends in the blogosphere became very much richer than when they started years ago by doing roughly the same things as I did.
