Summary of the Case: Offshore Outsourcing at GlobShop Being a major company, GlobShop had sought to outsource for enhancing the efforts of cost reduction in the activities of information technology. The decision of offshoring certain share of its IT infrastructure to the market of India was made by GlobShop considering certain factors (Ranganathan et al., 2007).

[Solved] Read the following case study on IT sourcing ...

GlobShop was a great organization to work for and we had people with over 25 years of experience in the company. The decision to layoff had very serious emotional impacts.' GlobShop had to determine how many people and whom to retrench, whether to carry out the workforce reduction in multiple phases, and how to communicate its intentions to the employees.
