House Industries: The Process Is The Inspiration

"House Industries display elite talent and craft in their design, illustration, and production, but the real magic is that they are alchemists. If you get that alchemy means taking non-precious metals and turning them into gold and platinum, then you'll understand it when I say that House turns numerous less-than-elite sources of inspiration into pure visual gold and platinum.

House Industries: The Process Is the Inspiration ...

Wastewater Treatment. ECS House Industries, Inc. is the leading manufacturer of floating brush aeration equipment in the United States and abroad. The floating brush aerator offers many advantages versus other types of surface aeration equipment. First, it enhances oxygen transfer rates by "sheering" the water and creating large quantities of fine bubbles for better oxygen transfer.
