IADC is committed to safely developing oil and gas resources for the world's consumers. We educate those working in the drilling industry, inform the public and lawmakers across the globe about the industry, and promote continuous safety in the drilling industry. - Julie Robertson, Noble Corp 2020 IADC Chair

### **IADC - International Association of Drilling Contractors**

The guidelines were developed for drilling operations in excess of 1,000 ft water depth by the International Association of Drilling Contractors (IADC)/Offshore Operators Committee (OOC) Deepwater Well Control Task Force. The Task Force identified several deepwater issues that need to be addressed - personnel, equipment, and pending regulations.
