It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Icebreakers Energizers Team Icebreakers Energizers

icebreaker is an activity designed to help people to get to know each other and usually involves sharing names and other background information. A team building activity is designed to help groups form bonds and become a team. Team building activities differ from icebreakers in that the group members already have learned each other's names, and perhaps some personal information, and the focus is on making the group become more cohesive.
