We all know that in the last book Michael and Eve became engaged. In Last Breath they are faced with opposition from both the humans as well as the vampires who don't think that the two "races" should intermarry. If that isn't enough, there is something strange happening in Morganville. Vampires are going missing, including Oliver.

The Morganville Vampires is a series of young adult urban fantasy/vampire novels written by Rachel Caine. The novels feature Claire Danvers, a student at Texas Prairie University, and her housemates in the vampire-controlled city of Morganville, Texas. While the mayor of Morganville is human, unbeknownst to most of the population the town is actually run in cooperation with a group of vampires. Morganville is also home to an unusually large number of second-hand thrift stores. Several of the nov

### **The Morganville Vampires - Wikipedia**

Last Breath is the 11th installment in Caine's Morganville Vampires series, and I don't know if it is just that the story has lost its edge or if it is just me. Usually I pick up the recent book in the series and don't put it down until I'm done, but with this one I just didn't feel the pull.
