One often-cited argument for reform is that Britain's £2bn legal aid system is one of the most expensive in the world. However, opponents to cuts argue that this is partly because other EU countries use an inquisitorial system instead of the UK's common law, meaning that their outlay is skewed towards courts and prosecutors, and fewer cases come to trial.

Legal aid cuts and reforms - Chambers Student Guide

It has already been noted that the legal aid reforms are only one part of a package of tripartite cuts that impact on charities giving legal (and other) advice; the removal of direct financial support through the swingeing Public Sector cuts and the withdrawal of supportive activities for charities by the Charity Commission, in its refocused role as regulator, together forming the other two elements.

The impact of cuts in legal aid funding on charities

In order to judge the success of reforms in legal aid provision, it is necessary to first establish a set of criteria against which it will be evaluated. These criteria should be set by the Government officials, Judges, and Legal Aid experts. Few criteria that could be used to evaluate the system are given below.
