Nissan Frontier Service Engine Soon

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan ...

Your Nissan vehicle comes equipped with a service light which reads 'service engine soon.' This light warns you that there is a problem with the vehicle's emissions control system.
