**Omega: The Unknown (2007) #1 | Comic Issues | Marvel**

Omega the Unknown was a short-lived yet influential comic created by Steve Gerber which ran for 10 issues (March, 1976-October, 1977). Tired of annoyingly plucky boy sidekicks, Gerber pitched it as a realistic portrayal of a young boy's life, but Stan Lee insisted on more supernatural elements and crossovers with in-universe heroes.However, Gerber ably worked around these restrictions, writing ...
