I'm still working on a post about what I saw at RED's NAB booth, but in the meantime, RED has released a full 168-page PDF of the EPIC Operation Guide. Note the manual is still in draft status, but for anyone who's looking for more information on how RED's second generation cameras work, the manual's worth a look. Unless you're planning on dropping \$58,000 for the EPIC-M kit or \$28,000 for the ...
