Rocktron MIDI Raider Foot Controller with Hex Pedal and ...

Hello everybody, I really need your help, I'm running the Eventide H9, Strymon Timeline and Bigsky

together in my setup, I control them with a Rocktron Midi Raider, but I have a problem. When I change between two presets on my Midi Raider where the Timeline and the H9 are bypassed, they quickly turn on before bypassing, this gives a small jump in the sound that's really

Problem with Rocktron Midi Raider and H9 | Eventide

My Rocktron midi raider arrived today and yep, the programming is exactly the same as the All Access (EPROM is the same so no surprise there) .. The manuals seem identical also as the page references and headings mentioned in your guide match up totally..

Rocktron All Access switches assignment tutorial for ...

Rocktron All Access Touring Model Midi Foot Controller in really good condition. The screen and plastic strips have no cracks. There are no dings. Very Clean! The display and all lights light up. The display works but the text is experiencing a wave effect. Rocktron has said that it can be repaired by replacing a capacitor.

Rocktron All Access Touring Model Foot Controller | | Reverb

The Rocktron MIDI Raider has evolved from the All Access units and the earlier Rocktron/Bradshaw systems. The MIDI Raider as a stand-alone foot controller can be completely customized for your gear requirements. It can be set up to your specs in three operating modes: Bank Mode, Song Mode and Remote Mode.

Rocktron MIDI Raider MIDI Footcontroller | zZounds

I have this tool recently, but the thing I can say for now is that it seems very flexible in terms of possibilities. In my opinion it has exactly the same opportunity as its predecessor, the Rocktron All Access. It is simply much cheaper (relocation of production forces in Asia). I'm trying to get my new Rig Rocktron Patch Mate with a Loop and MIDI Raider will be my control panel for this.

User reviews: Rocktron MIDI Raider - Audiofanzine
