While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

The Sanyo Corporation manufactures a wide range of products for homes and businesses, including air conditioners. Sanyo air conditioners use R-410a refrigerant and a DC inverter technology, both of which are environmentally friendly and energy-efficient. A Sanyo air conditioner should work well under normal operating conditions.
