Your comparative market analysis is a lot like that puzzle. Each piece represents a different market element you need to consider in determining the value of a property. Let's walk through the steps needed to complete a comparative market analysis and why they're important. Then, we'll talk about how to put the pieces together to ...

How to Do a Comparative Market Analysis in 8 Steps

Comparative adjectives Comparative adjectives are used to compare differences between the two objects they modify (larger, smaller, faster, higher). They are used in sentences where two nouns are compared, in this pattern: Noun (subject) + verb + comparative adjective + than + noun (object). The second item of comparison can be omitted if it is clear from the context (final
