Check out our new book of the week -... - The Mosaic Rooms ...

According to Skorupka, every time the team tried to add new features and implement new ideas, it felt like it set the project back. Superhot Team went back to the drawing board multiple times, rewriting the story, redoing the upgrade system, changing the U.I., and removing things like rotating challenges, boss fight arenas, a progression-based in-game currency, and even a fake internet app.
