Early life. Reicher was born in Munich, Germany, the son of actor Emanuel Reicher and Hedwig Kindermann, a popular German prima donna who was a daughter of the famous baritone August Kindermann. [citation needed] Reicher's parents divorced in 1881 and his mother died two years later while at Trieste.His half-sister, Hedwiga Reicher, would also become a Hollywood actor.

Frank Reicher - Wikipedia

The Terri Schiavo case was a series of court and legislative actions in the United States from 1998 to 2005, regarding the care of Theresa Marie Schiavo (née Schindler) (/ˈtʃaɪvoʊ/; December 3, 1963 – March 31, 2005), a woman in an irreversible persistent vegetative state.Schiavo's husband and legal guardian argued that Schiavo would not have wanted prolonged artificial life ...

Terri Schiavo case - Wikipedia

Background Delirium is an important risk factor for subsequent dementia. However, the field lacks large studies with long-term follow-up of delirium in subjects initially free of dementia to clearly establish clinical trajectories. Methods We undertook a retrospective cohort study of all patients over the age of 65 diagnosed with an episode of delirium who were initially dementia free at onset ...
