Understanding the death penalty in Arizona - KNXV

Almost half (46%) of those who oppose the death penalty say they do so because it is "wrong to take a life." A quarter of death penalty opponents say that the person could be wrongly convicted. Thirteen percent of death penalty opponents say that the punishment should be left to God rather than the criminal justice system.

Understanding Americans' Support for the Death Penalty

Drug overdose death records are sometimes first submitted with the manner of death reported as 'pending investigation,' due in part to the time needed to get toxicology results. Because it can take a longer time to determine the cause of death in these cases, we can look at historical patterns to arrive at a likely estimate of the final ...

Crossing the Creek

Many people experience grief and a sense of loss after the death of a loved one. But the ways in which they experience and express these feelings may differ across cultures. Culture is the mix of beliefs, values, behaviors, traditions, and rituals that members of a cultural group share. Each culture has its own rituals that influence the expression of grief. Carrying out these practices offers ...
