Zugzwang (German for "compulsion to

move", pronounced ['tsu:ktsvaŋ]) is a

situation found in chess and other turn-

based games wherein one player is put

at a disadvantage because of their

obligation to make a move; a player is

said to be "in zugzwang" when any legal

move will worsen their position..

Although the term is used less precisely

in games such as chess, it is used

specifically in ...

Pawns make up your first row of pieces, so you must move them out of the way before you can move your other pieces. That means the first move for each player will be a pawn. After that, you can move any piece that isn't blocked by another piece. Knights are the only pieces that can jump over other pieces.
